The home of your dreams is finally here! The Ash floorplan is a two-story home that features a main level bedroom, main level full bath, a spacious pantry in the kitchen, a flex room with a spacious storage closet, and a built-in seating area at the garage entry. The upper level features a spacious loft, a 4-piece owners suite bath with a walk-in closet, two additional bedrooms, and a full bath. If the finished basement option is selected, this home comes with an additional bedroom, full bath, and a recreation room. Be sure to ask about all our included upgraded features! Prices, plans, and terms are effective on the date of publication and subject to change without notice. Depictions of homes or other features are artist conceptions. Hardscape, landscape, and other items shown may be decorator suggestions that are not included in the purchase price and availability may vary.

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
