The Lavender is one of the newest floorplans at Aspen View Homes! This spacious, 2-story home has approximately 1,981 - 2,945 square feet, 3 - 4 bedrooms, and 2.5 - 3.5 bathrooms. The main living area of this home is very open, and spacious. The modern kitchen opens up to the dining room, which leads to the large family room (and access to the backyard). The owner's suite for this home is on the main level with an attached 4-piece bathroom, and a large walk-in closet. On the upper level, there are 2 secondary bedrooms, a grand loft, and a second bathroom. The home has a crawl space standard, with the possibility to add an unfinished or finished basement. Call us today to learn more about this home! Prices, plans, and terms are effective on the date of publication and subject to change without notice. Depictions of homes or other features are artist conceptions. Hardscape, landscape, and other items shown may be decorator suggestions that are not included in the purchase price and availability may vary.

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
