The Tulip is a wonderful 2-story home with approximately 1,576 square feet, 3 – 4 bedrooms, and 2.5 – 3.5 bathrooms. As you enter this home you will be greeted by a 2-story foyer with a coat closet and half bath, then as you continue you will see the spacious family room which connects to the dining room and modern kitchen. There is also a wonderful mudroom off the garage entrance where you can drop your shoes and bags off when you get home. Upstairs you will find the owner's suite with attached 4-piece bathroom and large walk-in closet, as well as 2 secondary bedrooms, a bathroom, and laundry room. This home has a crawl space standard with an option to add an unfinished or finished basement. Call today to learn more! Prices, plans, and terms are effective on the date of publication and subject to change without notice. Depictions of homes or other features are artist conceptions. Hardscape, landscape, and other items shown may be decorator suggestions that are not included in the purchase price and availability may vary.

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions.
