Welcome home to the Currant, one of our newest floorplans! This home has 3 bedrooms, 2.5 bathrooms, and approximately 2,431 square feet. On the main level you will love the relax room/home office right off the entry, as well as the powder bathroom for future guests to use when you're hosting a get together. Along the back of the home is your spacious family room, dining room, and dream kitchen, complete with a walk in pantry, and so much storage! Upstairs, you will love the oversized loft, 2 secondary bedrooms, laundry room and spacious owner's suite. The owner's suite has an attached 4-piece bathroom and walk-in closet. There is also an optional basement, that when finished adds a bedroom, bathroom, and rec room. Prices, plans, and terms are effective on the date of publication and subject to change without notice. Depictions of homes or other features are artist conceptions. Hardscape, landscape, and other items shown may be decorator suggestions that are not included in the purchase price and availability may vary.

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
