The Sage is a fabulous ranch home! As you walk in you will be greeted by an oversized foyer, 2 secondary bedrooms and a guest bathroom. Once you make your way towards the back of the home, you will notice the owner's entry attached to the garage (that includes a coat closet) as well as your laundry room. The back of the home has your dream kitchen, attached dining room, and open family room. The owner's suite is an oasis with a 4-piece standard attached bathroom and large walk-in closet. Best of all, this home has an optional unfinished and finished basement. The finished basement adds an additional bedroom and bathroom, as well as a spacious rec room perfect for a playroom or secondary living room! Call us today to learn more! Prices, plans, and terms are effective on the date of publication and subject to change without notice. Depictions of homes or other features are artist conceptions. Hardscape, landscape, and other items shown may be decorator suggestions that are not included in the purchase price and availability may vary.

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
