Step into luxury at 7842 Buffalo Horn Dr., located in Colorado Springs, CO. A thoughtfully designed single-family home that caters to the needs of modern living. This energy-efficient new home boasts an array of unique features that set it apart in the new home market. Key Features Floorplan Design: Our Boxelder Floorplan stands as our largest two-story home at Trails at Aspen Ridge, offering an impressive 3,461 square feet of living space. Spacious Living: Step inside to a welcoming entry and open concept living featuring a bright living area with large windows, spacious kitchen, and a dedicated office, perfect for work or quiet focus. If space, convenience, and modern living are on your list, this 4-bedroom, 3.5 bath home delivers. Flexible Space : Upstairs, a large loft offers extra room for play, lounging, or movie nights. The jack-and-jill laundry makes chores a breeze, while the expansive primary suite impresses with a generous walk-in closet and split vanity for easy mornings. Second Floor Laundry Room: The laundry room sits on this level, making it simple to handle laundry without needing to run up and down the stairs. Spacious 2 car tandem garage. Comfort and Quality Luxurious Owner's Retreat: Positioned in the back corner of the home, it provides a private retreat where you can relax and recharge. Owner Suite Closet: In addition, the suite has a walk-in closet, providing ample storage for all your clothing and accessories. Basement Upgrade: The
