The Elm is a beautiful two-story home. The main level features a relax room with bonus storage attached, and an open living space. The upper-level features three bedrooms, a laundry room for convenience, and a spacious loft. The owner's suite comes with a four-piece bath, Linen closet, and spacious walk-in closet. If the Finished basement option is selected this home comes with an additional bedroom and bathroom and a grand recreational room. Prices, plans, and terms are effective on the date of publication and subject to change without notice. Depictions of homes or other features are artist conceptions. Hardscape, landscape, and other items shown may be decorator suggestions that are not included in the purchase price and availability may vary.

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
