The Juniper is one of our newest floorplans! This spacious ranch home comes with 4 bedrooms standard! This home has plenty of room for your entire family. When you enter, you're greeted with a generous foyer that leads to 2 bedrooms, and their shared bathroom. On your way to the main living space, you will find your 4th bedroom and laundry room. The large family room is open to the dining room, as well as your dream kitchen (complete with a corner pantry). The owner's suite has an attached 4-piece bathroom and walk-in closet. When finished, the basement adds a 5th bedroom, 3rd bathroom, and large rec room perfect for a playroom or secondary living room! Call us today to learn more about this wonderful home! Prices, plans, and terms are effective on the date of publication and subject to change without notice. Depictions of homes or other features are artist conceptions. Hardscape, landscape, and other items shown may be decorator suggestions that are not included in the purchase price and availability may vary.

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
