One of our newest plans, the Olive is sure to be a perfect fit for any growing family. This home has a large foyer, that leads to an amazing storage closet, pocket office, powder bathroom, and finally the open concept living room, dining room, and kitchen! Off of your kitchen, you will love the large pantry (complete with cabinets) and the mud room off of the garage. On the second level there is your spacious primary bedroom with 4-piece bathroom, and walk-in closet attached, as well as the 2 secondary bedrooms, laundry, and additional bathroom. This home comes with a crawl space standard, with an option to add an unfinished or finished basement. Call today to schedule your tour of this perfect home! Prices, plans, and terms are effective on the date of publication and subject to change without notice. Depictions of homes or other features are artist conceptions. Hardscape, landscape, and other items shown may be decorator suggestions that are not included in the purchase price and availability may vary.

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
