The Magnolia Discover The Magnolia, a beautifully designed single-family home, where comfort, functionality, and modern design come together seamlessly. This energy-efficient home offers flexible living spaces, elegant finishes, and thoughtful details crafted for today's lifestyle. Key Features Inviting Entrance: Natural light fills the home from large windows, creating a bright and welcoming atmosphere. Open-Concept Design: A spacious main living area provides the perfect place to gather, relax, and entertain. Flexible Spaces: Large owner's suite with a spa-like bathroom Two-car garage for added convenience Optional finished basement with a recreation room, full bath, and two additional bedrooms Comfort & Quality Luxurious Owner's Retreat: A private suite with a spa-inspired bath for the ultimate relaxation experience. Enhanced Insulation: Foam gasket dampening in the owner's suite for superior comfort and quiet. Personalized Style: Choose from Traditional, Farmhouse, or Modern front elevations to match your aesthetic. Contact us to learn more about our Magnolia floor plan and View Homes. Prices, plans, features, and options are subject to change. All square footage and room dimensions are approximate and may vary by elevation. Additional restrictions may apply. Contact your sales representatives for the most up-to-date information and to schedule a tour of our model homes.

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
