The Linden Explore The Linden, a beautifully designed two-story home created with modern families in mind. This energy-efficient home combines open living areas, thoughtful details, and versatile options to fit your lifestyle—whether you're hosting, relaxing, or growing. Key Features Bright & Open Design: Expansive windows fill the main level with natural light, creating a warm and inviting atmosphere throughout the living and dining areas. Functional Kitchen: A central, open-concept kitchen offers a smart layout with plenty of counter space and seamless flow for everyday living and entertaining. Flexible Spaces: Spacious owner's suite with walk-in closet and private bath All four bedrooms are conveniently located on the second floor Two-car garage for added functionality Optional finished basement with an additional bedroom, full bath, and recreation room Contact us to learn more about our Linden floor plan and View Homes. Prices, plans, features, and options are subject to change. All square footage and room dimensions are approximate and may vary by elevation. Additional restrictions may apply. Contact your sales representatives for the most up-to-date information and to schedule a tour of our model homes.

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
