Introducing the Roosevelt Floorplan Home Design – Spacious & Functional If you’re looking for a versatile home that offers modern comfort and thoughtful design, the Roosevelt floorplan home design is a perfect choice. With 2,116 sq. ft. of well-planned space, this four-bedroom, three-bathroom home is ideal for growing families, remote workers, and those who love to entertain. Why Choose the Roosevelt Floorplan Home Design? First and foremost, this home is designed with both functionality and comfort in mind. Whether you need extra space for family members or a quiet place to work, the Roosevelt floorplan home design adapts to your lifestyle effortlessly. Key Features of the Roosevelt Floorplan Home Design Four Bedrooms & Three Bathrooms – Two bedrooms share a dual-sink bathroom, making mornings more efficient. Additionally, a dedicated pet room provides a special space for your furry friends. Pocket Office – Instead of working at the kitchen table, enjoy a quiet, functional workspace, perfect for remote work or studying. Chef-Inspired Kitchen – Not only does it feature a walk-in pantry, but it also flows seamlessly into the family and dining areas, making it ideal for entertaining. Guest Restrooms – Placed strategically across from the laundry room and fourth bedroom, offering both privacy and accessibility. Owner’s Suite – A private retreat with a spacious walk-in closet and an en-suite bathroom for ultimate relaxation. Designed for Growth & Connection Not only does this home offer plenty of space, but it also fosters a sense of togetherness. The open layout encourages interaction, while the spacious bedrooms allow for privacy when needed. Whether you are hosting guests, enjoying a quiet night in, or working from home, this floorplan offers the best of both worlds. Discover the Roosevelt Floorplan Home Design Today Beyond its beautiful interior, this home is located in a vibrant community with convenie

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
