Introducing the Sierra Floorplan – Your Single-Level Sanctuary in the Metro Verde Community. Step into the Sierra floorplan, a thoughtfully designed single-level home that seamlessly combines comfort and convenience. Spanning 1,635 sq. ft., this residence is ideal for those who value the ease of one-level living without sacrificing space or style. Located in the sought-after Metro Verde community in Las Cruces, New Mexico, the home also offers easy access to the Red Hawk Golf Course, making it a perfect choice for golf enthusiasts and those who appreciate beautiful views. Key Features of the Sierra Floorplan Three Bedrooms & Two Bathrooms: Spacious yet intimate, this layout offers plenty of room for both rest and relaxation. Additionally, the thoughtful design ensures that every square foot serves a purpose. 2-Car Garage: Practical and spacious, providing convenience for your vehicles and extra storage. Not only does it offer protection for your cars, but it also provides additional space for outdoor gear or seasonal items. Open Concept Layout: The living, dining, and kitchen areas flow together seamlessly, creating a warm and inviting atmosphere. This makes the Sierra floorplan ideal for entertaining guests or enjoying everyday family moments. Master Suite Retreat: Enjoy privacy and luxury with a master suite featuring an en-suite bathroom and walk-in closet. Moreover, this private retreat is perfect for unwinding after a busy day, offering you the comfort you deserve. The Sierra floorplan is the perfect place to elevate your living experience. By blending comfort, style, and functionality, this home is designed to be enjoyed for years to come. Whether you're relaxing indoors or exploring the local community, Metro Verde offers a welcoming atmosphere for all. Welcome home to a life well-lived in Las Cruces, NM, with the added convenience of being just minutes away from the Red Hawk Golf Course, where you can enjoy a re

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
