Introducing the Harding Floorplan – Designed for Practical Living The Harding floorplan is a well-designed three-bedroom, two-bathroom home spanning 1,324 sq. ft. This single-story layout provides a functional and connected living space, perfect for families or individuals seeking comfort and convenience. Key Features: Spacious Great Room: A central gathering space that flows seamlessly into the kitchen and nook, perfect for daily living and entertaining. Well-Connected Bedrooms: All three bedrooms are easily accessible from the great room, ensuring convenience and ease of movement throughout the home. Two-Car Garage: Direct access to the home provides added convenience, with space for vehicles and additional storage. The Harding floorplan offers a practical layout with modern amenities, ensuring everyday comfort and efficiency for any homeowner. Prices, plans, features, and options are subject to change without notice. All square footage and room dimensions are approximate and vary by elevation. Additional restrictions may apply. See Sales Representative for details.

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
