Introducing the Sierra Floorplan – Your Single-Level Sanctuary Step into the Sierra floorplan, a thoughtfully designed single-level home that combines comfort and convenience. Spanning 1,635 sq. ft., this residence is ideal for those who value the ease of one-level living without sacrificing space or style. Key Features: Three Bedrooms & Two Bathrooms: Spacious yet intimate, offering plenty of room for both rest and relaxation. 2-Car Garage: Practical and spacious, providing convenience for your vehicles and extra storage. Open Concept Layout: The living, dining, and kitchen areas flow together seamlessly, creating a warm and inviting atmosphere perfect for entertaining and everyday living. Master Suite Retreat: Enjoy privacy and luxury with a master suite featuring an en-suite bathroom and walk-in closet. The Sierra floorplan is the perfect place to elevate your living experience, blending comfort, style, and functionality in a home that's designed to be enjoyed. Welcome home to a life well-lived! Prices, plans, features, and options are subject to change without notice. All square footage and room dimensions are approximate and vary by elevation. Additional restrictions may apply. See Sales Representative for details.

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
