

**Priced From****\$328,900****2 Elevations Available****4** Bedrooms**2** Bathrooms**1,483+** Sq. Ft.**2** Car Garage

Our new Valencia floorplan is our model home in our Legends West North community. This is a new floorplan that really enhances a neighborhood with our unique new elevations. We are excited to see this open concept layout that still offers designated rooms for entertainment. We look forward to showcasing this floorplan and making it one of our favorites.

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
