Discover the Red Yucca Floorplan – Spacious, Functional, and Designed for Modern Living

Looking for a new construction home in North El Paso? The Red Yucca floorplan might just be what you need. This beautifully designed two-story home offers generous living spaces, tailored to modern needs. Whether you're a growing family or someone who loves to entertain, the Red Yucca floorplan provides the perfect blend of comfort and versatility. Key Features: Owner's Suite Closets – With large walk-in closets, the Owner's Suite offers plenty of storage and organization for your wardrobe. Pet Room – This thoughtful addition ensures your furry family members have their own dedicated space. Flex Room at Entrance – Use this adaptable room as a home office, reading nook, or formal dining area, depending on your needs. Open-Concept Living – The kitchen flows seamlessly into the great room, creating an inviting space for gatherings and day-to-day living. Morning Kitchen/Pantry – A dedicated space that provides extra storage and prep area, making your daily routine more convenient. Storage Room Near Garage and Laundry Room – Strategically placed storage solutions help keep your home neat and organized. Comfort and Quality: Second-Floor Loft – The upstairs loft offers additional living space. This room can serve as a playroom, media room, or even a second living area for the family. Flexible Bedroom Options – Choose to add an additional Owner's Suite upstairs, which includes two more walk-in closets, or convert it into a fifth bedroom based on your preferences. Floor Plan Highlights: 4-5 Bedrooms and 2.5-3.5 Bathrooms – The layout strikes a balance between private retreats and communal spaces for everyone. Spacious Loft – This versatile area is perfect for entertainment, relaxation, or as extra living space. Convenient First-Floor Laundry and Storage – Designed to enhance functionality, this

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
