Welcome to The Summit – a blend of affordability, functionality, and modern design. This 3-5 bedroom, 2-3 bath home with a 2-car garage ranges from 1217 to 2234 square feet. Enter through the front porch or attached garage into a spacious open floor plan. The living room, dining room, and kitchen, complete with a built-in island, create an ideal entertaining space. Two bedrooms and the first bathroom are just beyond. The master bedroom, with its private bathroom featuring a shower/tub combo and dual vanities. Opt for a finished basement for an additional open rec room and two more bedrooms, alongside another bathroom and a dedicated laundry room for convenience. Designed for practical living with a touch of modern style, The Summit is your home for comfort and functionality.
