4 Elevations Available

-  **3** Bedrooms
-  **2.5** Bathrooms
-  **2,308+** Sq. Ft.
-  **2** Car Garage

Presenting “Stream View” – an embodiment of natural elegance and sophisticated serenity. Nestled over two grand stories, this home spans a generous 2,308 square feet of meticulously crafted luxury. Within its walls, you’ll discover three opulent bedrooms, sanctuaries designed for utmost relaxation, accompanied by two and a half immaculate bathrooms that resonate with the serenity of top-tier spas. Beyond mere aesthetics, “Stream View” stands as a testament to intelligent design, marrying functionality with an elevated lifestyle. A spacious 2-car garage provides sanctuary for your vehicles, doubling as generous storage. At its heart, “Stream View” transcends being just a residence—it’s an immersive experience where the subtle notes of nature’s stream meld seamlessly with the symphony of luxury. Prices, plans, features, and options are subject to change without notice. All square footage and room dimensions are approximate and vary by elevation. Additional restrictions may apply. See Sales Representative for details.

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
