Introducing the Taos Floor Plan – A Spacious, Family-Friendly Home in Metro Verde, Las Cruces. Discover the Taos floor plan, a beautifully designed single-level home that perfectly combines modern living with family comfort. Spanning 1,862 sq. ft., this home offers 3 bedrooms, 2 bathrooms, and a versatile study, making it ideal for a variety of lifestyles. Whether you're looking for space, functionality, or style, the Taos floor plan has everything you need. Located in the sought-after Metro Verde community, you'll be just minutes away from the Red Hawk Golf Course, only a 10-minute drive from your front door. Key Features of the Taos Floor Plan: Welcoming Foyer: Upon entering, you're greeted by a spacious foyer that leads into the study. This area offers a peaceful retreat, perfect for work, hobbies, or relaxation. Open-Concept Design: The kitchen, dining area, and family room flow seamlessly together, creating an ideal space for hosting gatherings or simply spending quality time with loved ones. In addition, the open layout encourages a sense of togetherness while providing ample space for all. Owner's Suite: This luxurious suite features a walk-in closet and a private bathroom, providing the ultimate in privacy and comfort. It's designed as a peaceful sanctuary where you can unwind after a busy day. Additional Bedrooms: Two generously-sized bedrooms offer ample space for family members, guests, or even a home office. This flexible design allows the space to evolve as your family's needs change. Comfort and Quality in Every Detail: Thoughtful Layout: Designed with convenience and functionality in mind, the layout maximizes usable space, ensuring comfort for families of all sizes. Additionally, the flow of the home ensures each area serves its purpose while remaining connected to the rest of the house. Spacious Living Areas: The open floor plan fosters an inviting atmosphere, making it ideal for daily living.

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
