14732 Cactus Breeze Way – Winfield Floor Plan El Paso 4 Bedrooms | 2.5 Bathrooms | 2,048 Sq. Ft. | Desert Breeze | Horizon City, TX Welcome to the Winfield floor plan El Paso in the growing Desert Breeze community. Located directly across from Horizon High School, this home offers both convenience and a strong community setting. This two-story home offers 2,048 sq. ft. of thoughtfully designed living space. It includes 4 bedrooms and 2.5 bathrooms. As a result, it works well for growing families, guests, or a home office setup. Open-Concept Living with Upstairs Privacy As you enter, the home opens into a spacious living, dining, and kitchen area. Because of this, the layout feels connected and functional. In addition, the open-concept design supports both entertaining and everyday living. For example, you can host while still staying connected to the main space. Upstairs, all bedrooms are located on the second level. Therefore, the layout creates a clear separation between shared living areas and private spaces. Designed for Comfort & Everyday Functionality The Winfield floor plan El Paso is designed with both comfort and practicality in mind. For instance, the layout maximizes space while maintaining a clean and modern feel. In addition, the 2-car garage provides direct access to the home. Because of this, daily routines feel easier and more efficient. The Transitional elevation adds modern curb appeal. As a result, the home stands out while still feeling timeless.

First Floor

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
