Texas Olive Floorplan – Spacious & Modern Living The Texas Olive floorplan offers the perfect blend of comfort and functionality. This 4-bedroom, 3-bathroom home features approximately 2,193 sq. ft. of thoughtfully designed space, making it ideal for families, remote workers, and those who love to entertain. Designed for Modern Living When choosing a home, functionality and style matter. The Texas Olive floorplan is designed to deliver both. With its open-concept layout, spacious bedrooms, and flexible living spaces, this home easily adapts to your lifestyle. Whether you're working from home, hosting gatherings, or simply enjoying a quiet evening, this floorplan supports it all. Additionally, the layout creates a balance between connection and privacy—allowing shared spaces to feel open while still offering personal retreats throughout the home.

Key Features of the Texas Olive Floorplan

Open-Concept Living The family and dining areas flow seamlessly together, creating a welcoming space for everyday living and entertaining. Large windows invite in natural light, enhancing the overall ambiance.

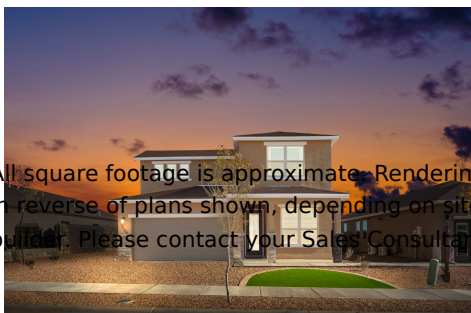

Modern Kitchen Enjoy ample counter space, stylish finishes, and a walk-in pantry designed for convenience. This kitchen makes cooking and hosting effortless.

Dedicated Study Perfect for remote work, studying, or hobbies, the private study offers a quiet and productive environment.

Private Secondary Bedrooms Thoughtfully positioned bedrooms provide separation from main living areas, creating a more peaceful and functional layout.

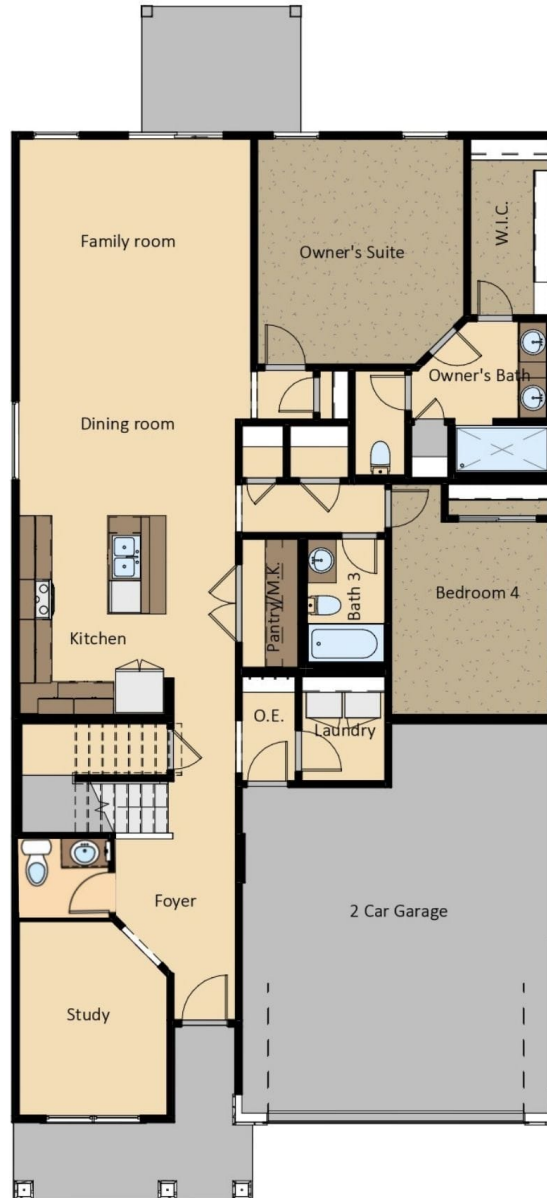

Owner's Suite Retreat The spacious owner's suite includes a walk-in closet and a well-appointed en-suite bathroom, designed for both comfort and relaxation.

A Home That Fits Your Lifestyle The Texas Olive floorplan is more than just a home—it's a versatile space designed to grow with you. Its combination of modern design, functional layout, and comfortable living areas makes it a smart choice for a variety of lifestyles.

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
