14400 Desert Wind – Winfield Floorplan 4 Bedrooms | 2.5 Bathrooms | 2,048 Sq. Ft. | Verdancia | Horizon City, TX Welcome to 14400 Desert Wind, featuring the spacious Winfield floorplan with a Spanish elevation, located in the thoughtfully designed Verdancia community in Horizon City. This beautifully crafted two-story home offers 2,048 square feet of well-planned living space. With 4 bedrooms and 2.5 bathrooms, the layout provides flexibility for growing families, entertaining guests, or creating a dedicated home office. Inside, the open-concept design seamlessly connects the kitchen, dining, and living areas—creating a natural flow for everyday living. Additionally, the second-story layout allows for a clear separation between shared spaces and private bedrooms, offering both comfort and functionality.

Community & Location Highlights Located in the master-planned Verdancia community just east of El Paso, on the northern edge of Horizon City Designed for connection, wellness, and outdoor living Zen-inspired spaces with desert landscaping, wildflowers, and green areas Walking paths ideal for exploration and everyday enjoyment Easy access to Horizon City and surrounding areas Live Where You Can Grow, Connect, and Thrive Hunt Communities proudly introduces Verdancia—an inspired residential community offering a refreshing balance to the surrounding desert landscape. Here, you can grow, live, flourish, dance, and shine with those you love under the far West Texas sun

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
