Discover the Yellow Bell Floorplan Verdancia – Smart Single-Story Living in Verdancia

Welcome to the Yellow Bell floorplan, a thoughtfully designed single-story home offering approximately 1,500 sq. ft. of comfortable living space in the beautiful Verdancia community in El Paso, Texas. This well-planned home combines open-concept living with private bedroom spaces, creating the perfect balance of functionality, comfort, and modern design. With three bedrooms, two bathrooms, and a spacious two-car garage, the Yellow Bell provides a practical layout designed for everyday living, entertaining, and relaxing with family and friends.

Key Features

Efficient Single-Level DesignThe Yellow Bell offers a smart ranch-style layout that maximizes space while keeping everything conveniently on one level. The design creates a natural flow throughout the home, making daily routines simple and comfortable.

Open-Concept Living AreaAt the heart of the home, the family room, dining area, and kitchen connect seamlessly, creating a welcoming space for gatherings and everyday living. The kitchen features generous counter space and functional storage, making meal preparation both convenient and enjoyable.

Private Owner's SuiteLocated toward the back of the home for added privacy, the owner's suite serves as a peaceful retreat. The suite includes a spacious bedroom, a well-appointed bathroom, and a walk-in closet designed to provide plenty of storage.
