Introducing 'Elm View': Dive into the allure of a home that echoes the essence of pristine country living while embracing modern design. This breathtaking single-story sanctuary unfurls across an expansive 1,638 square feet, offering both room and refuge. Thoughtfully curated with the contemporary family in mind, it promises spaces where memories will be crafted and stories shared. Boasting three generously-sized bedrooms, each space is a haven of comfort and serenity, ensuring that every family member has their cozy nook. The two bathrooms, infused with touches of elegance, serve as personal retreats that combine luxury with everyday practicality. But the charm doesn't end there. The sleek 2-car garage not only offers ample storage for your automotive treasures but also ensures that your prized possessions are sheltered with care. Indeed, every detail of 'Elm View', from the spacious living areas to the nooks and corners, is a testament to a floorplan that marries functionality with unmatched grace. Come, experience a home where the heart truly resides. Prices, plans, features, and options are subject to change without notice. All square footage and room dimensions are approximate and vary by elevation. Additional restrictions may apply. See Sales Representative for details.

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
