Introducing “Valley View ” – Immerse yourself in an emblem of refined elegance with Valley View, which is not merely a home but a testament to luxury living. Spanning two lavish stories, it offers a generous 2,637 square feet, perfectly blending comfort and sophistication. With 4 sumptuously designed bedrooms, including a private sanctuary master suite, every family member is assured their personal retreat. Further, the 2.5 meticulously crafted bathrooms eliminate morning rushes, showcasing a keen attention to detail from the tiles to the fixtures. Complementing the design is a spacious 2-car garage, ideal for both your vehicles and DIY endeavors. Choose Valley View, not just as a home, but as an investment in a rich lifestyle, where every moment resonates with memories and dreams waiting to unfold. Prices, plans, features, and options are subject to change without notice. All square footage and room dimensions are approximate and vary by elevation. Additional restrictions may apply. See Sales Representative for details.

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
