

**Priced From****\$386,990****3 Elevations Available** **4** Bedrooms **3.5** Bathrooms **2,608+** Sq. Ft. **2** Car Garage

The Azalea is a spacious two-story floor plan designed for comfort and flexibility, featuring 4 bedrooms and 3.5 bathrooms. The main level showcases a gourmet kitchen with a huge pantry and morning kitchen, all flowing seamlessly into the open-concept dining and family rooms where soaring two-story ceilings create a bright, expansive feel. Also on the main floor is a private primary suite with a large walk-in closet and a conveniently located laundry room. Upstairs, you'll find three additional bedrooms, two full bathrooms, a generous loft perfect for a home office or game area, and a separate media room ideal for movie nights or entertaining. A second laundry room upstairs adds extra convenience for everyday living. Complete with a covered patio for outdoor gatherings, the Azalea offers a thoughtful layout that balances functionality and modern living.

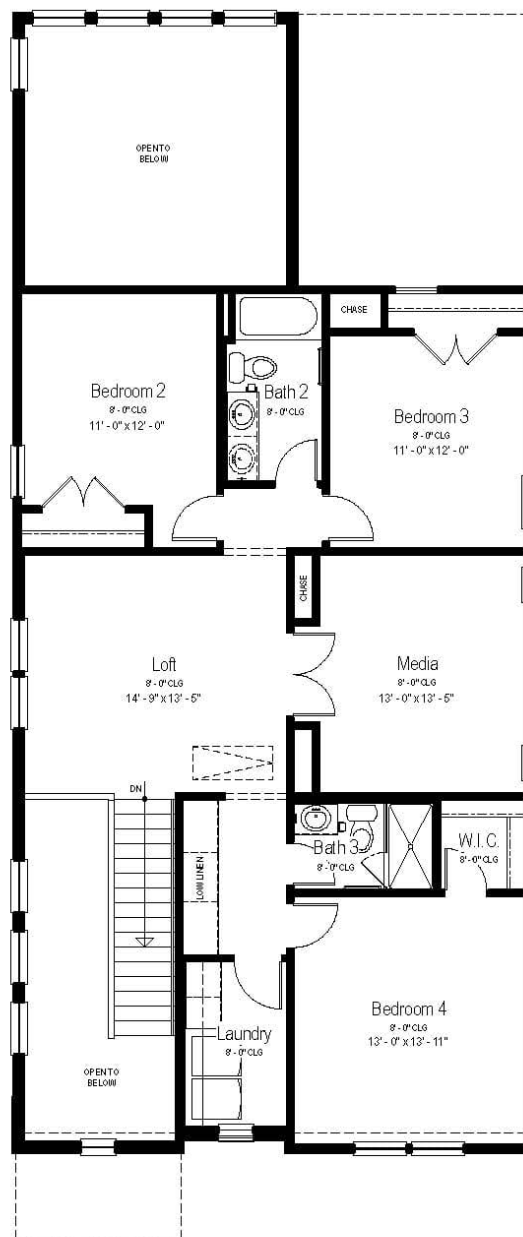

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
